

POLICY NUMBER: 9420 Tournament Participation Guidelines
ISSUED: 08/29/94 REVISED: March 2004

PURPOSE: To provide rules for tournament participation and organization financial obligations.

Background:

To facilitate the budgeting process and to provide equity to all teams play guidelines are required for tournament participation.

Guidelines:

1. The organization will fund each County and Travel team up to \$350.00 per season (which shall include referee fees) for any number of tournaments. For the purpose of this policy, the Spring Season will run from 1 January through 30 June. The Fall Season will run from 1 July through 31 December.
2. All members of the tournament team must be registered, paid members of the St Jane Soccer association for the appropriate season.
3. Teams playing in tournaments requiring patches will be supplied with up to 100 patches as needed for each tournament.
4. Teams wanting to participate in tournaments over and above the \$700 supplied will be responsible for all costs incurred to include ref fees.
5. Teams wanting to participate will submit their request through the Program Directors for approval. The Program Directors will sign off on request and forward to the organization Treasurer for checks. Coaches are not to approach the Treasurer directly for approval/fees.
6. It is the responsibility of the coach to approach the coach of another St. Jane Soccer team and the appropriate Program Director before inviting players from their roster to fill guest player spots for tournament play.
7. Waivers to any of these guidelines must be submitted to the appropriate Program Director and will be subjected to a majority vote by the Board of Directors.
