Registrar's report – 719 total: 367 Clinic, 197 Girls, and 155 Boys

Treasurer's report – \$35,266.64 in checking

Boys Director – Nothing to report

Girls Director – Nothing to report

Clinic Director – Clinic invited to participate in 4/22 parade in Riviera Beach. Line up at 9:30 am

AA Co. Representative – All referee complaints are being forwarded to the Matrix or Tom (from the referee's association). There is concern about equipment breaking and going missing – at Bar Harbor in particular. The set-up/break-down schedule has been posted.

Old Business: - There will be more money allotted to larger teams for end of the season parties
- First Aid training is upcoming – mid to end of May

New Business: - The coaches game will be June 2 at Tick Neck
- Fall registration will open May 1, 2006
- Larry Ford suggested that St. Jane's not let the Buccaneers use Tick Neck without charging them due to damage to the fields and schedule disruption
- Scott Kelly suggested that there be a free summer clinic on a voluntary basis. Traditionally St. Jane's has not done this due to concern about liability, but it is not out of the question and should be looked into more.
- Matt Tracey has been volunteered to serve as the Rec. Council Representative

Councilman Ron Dillon visited to award a plaque to St. Jane's for long time service to the community. He offered to assist with any concerns and was immediately bombarded by requests for irrigation on the Tick Neck fields due to heavy usage by a wide variety of sports and groups.
